

Tax Advisory

A&M's Asia M&A Tax Practice within the Transaction Advisory Group provides high quality, integrated tax advice to private equity funds, corporate and global clients throughout the full lifecycle of an organization.

Our team comprises only experienced former Big 4 Chartered / Certified Accountants or Certified Tax Advisors who deliver a tailored and scalable approach to clients.

- Unrestricted by audit-based conflicts of interest, we grasp both the fine points of tax and the broader strategic implications, helping mitigate risk, manage tax burden and drive business performance.
- Our professionals quickly assess and communicate tax issues which will have key valuation and transaction considerations to investors and management teams, to avoid issues throughout the deal process.
- With senior level deal professionals involved in every aspect of the transaction, you can expect real-time communication on key deal drivers and an intense focus on the root cause of any critical deal issues.

Our tax advisory services include:

Acquisition phase:

- Tax due diligence review
- Tax structuring advisory, including pre-deal restructuring planning
- Indirect transfer tax analysis
